The Years 1963-64

President of the College

TO THE STUDENTS OF MITCHELL:

We are glad that you have chosen Mitchell as your college, and we assure you that every effort will be made to give you every opportunity for the development of your talents and interests.

College entrance is one of the most important steps in the life of an individual. It is our hope that these years at Mitchell will be helpful, creative, and useful to each one of you.

This is your college. It was built by many who believe you young people are very important because of what you can become. They gave their money to build a place which would provide for you an opportunity for a Christian education. Help us take care of the property so those who come after you may use it. Make your time at Mitchell count. Move forward into a well-rounded, self-disciplined, and enlightened manhood or womanhood.

In all our planning we ask the question, "What is best for the student?" Please help us make this college the kind of place which will be most valuable to you.

Sincerely,

JOHN MONTGOMERY
President

Organizing the staff, soliciting ads, taking pictures, drawing the layout, writing copy—all of this takes many long hours of preparation and toil necessary to achieve the finished product. Honor Council

JERRY PLETCHER
President

The student body at Mitchell College maintains an honor system which, since its beginning, has proved its worth and is now part of the tradition of the Mitchell College students. The honor system is administered by a committee of three elected students and a faculty advisor with the authority to recommend to the administration punishment to offenders up to and including expulsion from school. A violation of the code consists of lying, cheating, or stealing. No student is properly registered at Mitchell until he has signed a full statement endorsing the honor code. This means that the honor code is a vital part of the life of Mitchell College students. The Honor Council is also responsible for the counting of ballots in all student elections.
